CHERNOBYL 2-DAY TOUR

CHERNOBYL 2-DAY TOUR

THE TOWN OF PRIPYAT

Day 1: The Accident and the evacuation

On the first day of the 2-day Chernobyl tour you'll experience the ghost city of Pripjat and the Chernobyl Zone in an unprecedented detail, both before and after the accident.

With a Geiger counter in your hands, you will learn the secrets of the Zone and experience the evacuation and the aftermath of it.

Lunch and dinner included with Hero Package.

Day 2: In footsteps of the Liquidators

The second day of the 2-day Chernobyl tour brings you to the most iconic places of the Zone by following the footsteps of the liquidators.

From the machinery, through the buried villages and the red forest, to the first-hand stories of the Chernobyl Zone inhabitants and workers. This unforgettable journey will also bring you to the most mysterious places of the Zone, such as the Jupiter factory, Bridge of Death, or the Duga Radar system.

Breakfast and lunch included with Hero Package.
