# PRIVATE TOUR

**Private tour to the Chernobyl exclusion zone** is a once-in-a-lifetime experience. This special tour is designed for individuals and groups who would like to explore the zone at their own pace and with their own preferences. You can choose the date, time, pickup place (from Kyiv), and even which places to see in the Chernobyl exclusion zone, and much more. The tour includes the city of Pripjat, city of Chernobyl, well-preserved villages, Chernobyl power plant, Duga radar system, and the zone itself. This document serves as a menu with locations to choose from. Please, bear in mind that not every location can be visited during 1-day private tour.

**This tour is often chosen by photographers and TV crews.**

- > More places to see (compared to other tours)
- > Meeting the Chernobyl babushkas
- > Tailored program for the most demanding explorers
- > Extra time for photos and exploring
- > Access to no-go places
- > All at your own pace
- > And much more...
